Summary

I am Turkish and American. After graduating high school in the United States, I received my Bachelor's degree in Psychology from Hacettepe University in Turkey. As of 2019, I'm back in the United States. I have experience in teaching English as a second language and now I have a certificate from Rutgers Bootcamp for Full Stack Flex Web Development.

Experience

Native English Teacher

Gi Group

Apr 2019 - Jul 2019 (4 months)

I gave one on one English lessons to employees of the company Leoni. I had 25 students and they each had 1.5 hours of lessons every week. I gave different lessons, depending on the student's level of English. Some needed writing practice, some needed speaking practice.
